Dear Parents,

High Climbers

Congratulations to the football team who courageously played against Pambula in dreadfully windy conditions. Although they were defeated 12 – 6, I know that they did their best. Well done.

Farewell Mandy

It is with great sadness that this week we say goodbye to Mandy Legge. Mandy is going to work at Bega High full time from Term 3 and we wish her all the best in her new job. I am very sorry to see Mandy leave as she has given Bega West many, many, many loyal hours of service above and beyond what she was required to do - in the office, in classrooms, for sport, with the Westerly and school magazines, with school notes, money, transport and fundraising and first aid to name a few. I know that she will even be helping to proof read this, her own farewell!

It is very difficult to put into words the appreciation we all have for Mandy's support over the years. All of it carried out with a great sense of humour and pragmatism that you couldn't help but appreciate. Thanks Mandy. Remember it's not goodbye just yet and again all the best at Bega High.

End of term 2

The last day of school for this term is tomorrow 4th July. School resumes for students on Tuesday 21st July.

Thank you everyone at Bega West for your support this term. Special thanks to all our volunteers. We cannot run our school without you! I know that everyone deserves and is ready for a break.

We wish you all a safe and happy holiday and look forward to seeing you next term.

Thank You

Thank you to all those families who generously supported the Karen Bell Appeal and to everyone supporting the Red Cross “Red Day” fundraiser tomorrow. Your continued support is much appreciated.

Regards

Alana Lockerbie

20

It was great meeting with the many parents who could attend interviews this week. If you couldn't make it this week and would still like an interview please contact me at school or send a note with your child and I will make myself available. Hope everyone has a safe and happy holiday.

Bryan

Student Exchange Australia – Bring Home a Brother or a Sister

In June and July 2008, students, aged 15-18 years, from over 15 countries will be arriving in Australia to study at local schools for 2, 3, 5 or 10 months. Opportunities exist to act as a host family in a volunteer/unpaid capacity. Hosting can be on a temporary, short or long term basis. Host families help provide our students with the chance to study and experience life in Australia. This is a great way to learn about another country and culture, establish a lifelong link to a

family in another country and contribute to international goodwill. If your family can offer a friendly, supportive and caring home environment, contact us today.

To learn more about this opportunity call Student Exchange Australia on 1300 135 331 or visit our website: www.studentexchange.org.au

Life Education Australia

Life Education Australia recently launched an exciting new children's educational web-site: www.healthyharold.org.au, which we highly recommend to parents. However, it has recently come to our attention that when our old web address is entered into specific search engines, it possibly links to inappropriate websites. This is a problem specific to various search engines, and is not the fault of Life Education Australia.

We have taken steps to ensure that when our old address is entered into the address bar, the user is re-directed to our current website. However, in the interest of child safety, we want to advise all parents to ensure that children only use our correct web address which is www.healthyharold.org.au, where they will be a safe, fun learning experience.

We would also encourage parents to be vigilant in supervising their children's use of the internet in general to ensure that they are not exposed to unnecessary dangers. Should you have any queries regarding this matter, please don't hesitate to contact me on 02 8262 4300

Jay Bacik, Chief Executive Officer
